Strengths a buyer will value

- **Runs without the owners**
  A full-time manager handles bookings, team and suppliers. The owners spend about 10 hours a week on the business.
- **Revenue spread across many leaders**
  18 retreat leaders booked in 2025. The largest brings 24% of revenue, and half return every year.
- **Systems that transfer**
  Bookings, payments and the booking platform sit in the business name, in one system the manager already uses.
- **Written procedures**
  Changeover, kitchen, housekeeping and guest communication are documented and in daily use by the team of 8.
